SERVE TO CHANGE LIVES

## PRESIDENTS GREETINGS AND CHATTER

Hello Everyone,

Well, we might all be locked down, but that is not stopping us to all use our creative imaginations and planning ideas so when we are Free again, great things can happen.

As mentioned at last week’s meeting our application for the Stringy Bark Festival for an environmental/ recycled free craft activity has been accepted.

We are now collecting along with spoons and forks, old crockery i.e., cups bowls etc.

To quote Paul Wilson Blessed are this week’s soup makers, Thank you too all

This week’s meeting will of course be on Zoom, Rob has found a very interesting guest speaker, Lindsay Leigh Hobson, speaking to us on

“Elevating Emerging Leaders” we look forward to seeing everyone including partners join us.

Membership slogans are pretty exciting so we will see what the graphic artist can create for us with your great ideas. Thank you everyone sharing your thoughts.

Have a great week

Stay Safe

Graeme and Christine

### Eating in the 50's

1. Pasta was not eaten'
2. Curry was a surname.
3. Takeaway was a mathematical problem.
4. A pizza was a leaning tower.
5. Crips were plain, you had to choose whether to put salt on them.
6. Rice was only eaten as a milk pudding.
7. A big mac was what we wore in the rain.
8. Brown bread was something only poor people ate.
9. Oil was for cars, fat was for cooking.
10. Tea was made in a tea pot.
11. Cooking outside was called camping.
12. Seaweed was not a food.
13. Kabab was not even a word.
14. None of us had ever heard of yoghurt.
15. Fish didn't have fingers.
16. Muesli was readily available, it was called cattle food.
17. Water came out of a tap, if someone had suggested bottling it and charging more than petrol they would have thought them nuts.
18. And things that were never on the table in the 50's were elbows and phones

### That Was The Week That Was

Due to new restrictions the meeting became a Zoom meeting.

Christine welcomed all members with apologies from Paul W and Alan T.

Christine informed members that Julienne had resigned from the Club.

Paul W to be given details of a possible candidate from Bridge Builders – Beck Mitchell for RYLA.

Our Interact Club at Fairhills has ben inactive this year. Club to investigate a possible project to assist with lunches at Fairhills as they no longer have a canteen and rely on a food truck to visit the school.

150 pair of socks have been purchased and chocolates yet to purchased. Items will be packed by members at our meeting on August 26<sup>th</sup>.

Our application for a stand at the Stringy Bark Festival has been accepted. An idea of making wind chimes with spoons and forks was discussed. Plantings in crockery or jars was another idea.

Ideas sought for entertainment and social activities to be inclusive of all members. Paul McAloney will now coordinate social activities.

Members to put forward wording for a slogan for our membership poster. All slogans will be forwarded to members before a final decision is made.

Fran is formulating a letter to be sent to cluster Presidents to seek support for a project on awareness for Domestic Abuse.
