PRESIDENTS GREETINGS AND CHATTER

September Rotary International Theme is
"Basic Education and Literacy Month"

Hello Everyone,

"Lockdown Loot" who could imagine that you could have so much fun doing a scavenger's hunt in your own home. Thank you, Paul and Kay, and everyone bringing much needed laughter and fun to entertain us on a Saturday night.

Our Father's Day gifts delivered to Foothills Community Care were distributed with the 600 meals, isn't it wonderful that our community along with all the volunteers are looking out for those that need a lift up especially at this time.

Reading the Facebook comments, it certainly bought joy to many and was very much appreciated.

Thank you to all those soup makers this week, I am sure the pumpkin soup will go down a treat.

This week's guest speaker is a returning speaker Geoff Bransbury who will share more of his experiences "Touring the World on a Motor Cycle".

We can't wait to hear more adventures, so please send the zoom details to all your friends and family as this will be a great evening.
