Monday April 25th Anzac Day Dawn Service at the Quarry

SERVE TO CHANGE LIVES

PRESIDENTS GREETINGS AND CHATTER

March Rotary International Theme is

“Water and Sanitation Month”

Hello Everyone,

What a fantastic day at the Knox Festival on Saturday. After all those months of the community not being able to be together, the atmosphere was exciting, fun and the smiles on the children's faces, said it all, when they completed their masterpiece painting Australian bush animals.

A huge thank you to all partners and members for a long but very rewarding day, for all your assistance and support. Hope you have all checked our Facebook and web site for the photos.

A big shout out to our Rotary riders this week raising funds for Australian Rotary Health, and to President Graeme driving with the support team. We look forward to hearing the adventures.

This Weeks Guest Speaker Is Terrence Baxter “Mobile Mission Maintenance”

We encourage all partners and members to attend,

Another fundraising opportunity this Friday at Bunnings. Don't forget to let Paul or Kay McAloney know if you are coming to the St Patricks evening on March 17th, it will be another memorable evening “to be sure to be sure”

Have a great week

Take Care and Stay Safe

Graeme and Christine

Minutes

RC FTG Meeting 3/3/22

After a rocky start getting Hybrid Zoom to perform the meeting started around 6.30pm.

Pres Christine

Opened the meeting welcoming all members.

She then gave a progress report on Tamminya House. There are some difficulties with availability / timing for grants to build the kitchen. Will hold for the moment, whilst monitoring grants.

Knox Festival is this Saturday (the 5th). She will be in early to set up. All members are encouraged to come along and help.

The Anzac Day Service at the quarry is 98% locked in.

Graeme Aspinall then reported that the Great Community Raffle is soon up and he will follow up participating in it.

Bunnings Sausage Sizzle is this Friday. Graeme finalised proceedings and roster as he will be on the bike ride.

At the last presidents meeting it was announced that 9810 & 9820 will (officially) be amalgamating into 9815. There are lots of logistics to work thru so work will start in earnest very soon. It was also noted that quite a few clubs are finding it difficult (for various reasons) to "get going" again after COVID lockdowns.

Paul Wilson reported on progress with Interact, RJCA, RYLA, the new webpage and Hybrid Zoom.

Paul Mac announced that we will have an Irish night meeting at his place on the 17th March.

More info to follow.

Mike Spark said 3 of 4 Centurions were fully paid.

Meeting closed 8.35pm after which meals and discussion followed.

Scribe: Paul Wilson

The group above are the yellow team of only six riders [one missing from the photo] this year and two support drivers. My role is to lead the team along their 100km journey each day at speeds up to 30kph. It's a long day watching the speedo, following the map and keeping a eye on them in the reovision mirror all at once. We still have three days to go having started on Sunday.

Knox Festival.

A very successful day
