PRESIDENTS GREETINGS AND CHATTER

Hello Everyone

The first District 9810 conference since 2018 was held at Caulfield Racecourse on Saturday March 26th. The venue proved to be an excellent venue for a conference. The conference had two themes 'Healthy World' and 'Healthy Mind' started on the Friday evening with online presentations from Professor Veena Sahajwalla – revolutionising recycling science and Dr Norman Swan – how covid has affected us and the ongoing research.

Saturday's speakers included Jillian Riseley, CEO of Metropolitan Waste & Resource Recovery, Pat McCafferty, MD of Yarra Valley Water, Celeste Mergens Founder and CEO of Days For Girls and a moving presentation from Samuel Johnson 'Love Your Sister' Samuel has now devoted his life to raising funds in the name of his sister for Breast Cancer research. Breakout sessions focused on Environment and Sustainability issues and the work Rotary is doing in the world. The best was saved to last with Victor Perton – CEO of the Optimism Institute gave an inspiring presentation on being optimistic.

The conference concluded with a gala dinner dance in the Committee Dining Room at the course with an excellent dinner provided.

Congratulations must go to the Rowville-Lysterfield Club and the organising committee for a very well run District Conference.

Next year the Conference will be held in Canberra on March 3-4th 2023. The highlight will be the Gala Dinner in the Great Hall, Parliament House. Further details are expected to be announced in July.

Our craft stall at Bunnings last Saturday was well attended by the young ones as it was at the Knox Festival and the Storm Recovery Festival in Monbulk recently. Although the day was wet it didn't keep the people away.

Stay Safe
