PRESIDENTS GREETINGS AND CHATTER

Hello Everyone,

We hope all members and partners that have come down with covid are recovering and starting to feel better.

Our Bunnings sausage sizzle last Friday was a successful day. We were very fortunate that two members from Bayswater Rotary club came to our rescue, a big shout out thank you to Neil and Amanda, as without their help we would not have had four persons for both shifts.

Anzac Dawn Service advertising and plans are all happening. Those that hopefully will be available on the day to assist, have been invited to a Zoom meeting this Wednesday evening.

We are looking forward to seeing as many of you (that aren't still isolating) at this week's meeting at the bowls club, it has been a while since we all met face to face.

Stay Safe Take care

Graeme and Christine

Rotary responds to the humanitarian crisis caused by the war in Ukraine

EVANSTON, ILL., April 5, 2022 – Rotary announced today that it has raised more than \$7 million to support locally-led relief efforts underway by Rotary clubs in Ukraine and neighboring countries.

“The need for immediate humanitarian aid is increasing with each passing day,” said John Hewko, CEO of Rotary International. “Rotary clubs in Europe and around the world, including our 1,100 members in Ukraine, have stepped up their relief work, with some on the ground helping those displaced by the war.”

- In western Ukraine, Rotary members in Lviv are working with local authorities and major hospitals to provide urgent medical supplies and equipment.
- In Slovakia and the Czech Republic, Rotary clubs have partnered with a railway company to offer transport to refugees and deliver essential items.
- In France and Germany, Rotary members set up a central fund and working group to coordinate aid for Ukraine and border countries.

- Rotary clubs in Poland have taken swift action to provide food, water, medical equipment, and transport and shelter for Ukrainian refugees.

Funds raised by the Rotary Foundation – Rotary’s charity arm, go directly to those in need through local Rotary clubs in Ukraine and other countries where substantial aid is needed for refugees.

Rotary clubs are also coordinating with partners to explore effective solutions to increased humanitarian needs. Rotary’s disaster response partner ShelterBox, is collaborating with Rotary members in Eastern Europe to provide essential supplies and access to temporary housing for those who have left Ukraine, along with medical and shelter supplies for communities in Ukraine. Items include mattresses for people living in schools and sports centers, shelter kits with tools and rope, hygiene kits, winter jackets, solar lights, and water carriers to help people survive as they are forced to live in damaged buildings.

With support two members from the Bayswater Rotary Club we managed to have our planned sausage sizzle at Bunnings last Friday. After the lunch period sales really slowed down, however we still managed to have a profit of \$590.00. Thanks to Christine and Mike for their support on the day.

Our next sizzle will be on Friday May 13th 9.00am - 4.00pm
